Hi Alison,

There is not a specific time frame in the regulations for response to comments. Please see the requirements at 40 CFR §§124.15 and 124.17.

Hi Nancy, Rebecca asked me to ask you a question....

I believe our UIC comment period is over on January 8, 2018. Is there a specific time frame for EPA to respond to comments and issue the final UIC? I have looked in the regs and can't find it, but I admit, my search was not that thorough. I thought you might have the answer off the top of your head.

Thanks,
